Re: Auspion Request for Waiver, OET Docket No. 19-83
Notice of *Ex Parte* Meeting

Dear Ms. Dortch:

On May 20, 2019, Peter Santos, CEO of Auspion Inc. ("Auspion"), Florian Bohn, CTO of Auspion (via telephone), and the undersigned counsel met with Acting Legal Advisor Aaron Goldberger and Bret Baker of the Office of Chairman Pai. The subjects of the discussion were the regulatory needs of wireless power transfer at a distance and Auspion's pending request for waiver.^{1/}

In particular, the parties discussed the benefits to public safety and other industries of wireless power transfer at a distance; the need for regulatory certainty, especially to attract and retain investment; the importance of the United States maintaining the lead in this emergent industry; and the need for the agency to provide for market access *via* regulatory requirements that promote free markets.

Please direct any questions to the undersigned.

Sincerely,

/s/ Laura A. Stefani
